Cody,

I just spoke with Dave Brown who is the architect on this project. I apologize but our office has not had time to renew the Intent letter for this project. Unfortunately with the Stage 3 declaration our office has been inundated, which has caused a substantial delay on our turnaround time .

This email shall verify that the Intent letter for this project was renewed as of June 1, 2014. Once I have our office has finalized the formal renewal letter I will make sure to forward you a copy.

Please let me know if you require any additional assistance.
